

RULES FOR MIXED LOAD ROLL-OFFS

- You may keep the roll-off for up to one week (7 days). If you need it longer, there is a \$20 charge (before tax) per additional week.
- You **must** call us when the roll-off is full. We do not pick it up until you call us.
- Do not overfill. You may only fill it level to the top.
- **No** liquids, asbestos, ammunition, or hazardous materials are permitted - No exceptions.
- You're allowed one appliance (such as a refrigerator or stove) or one major electronic (such as a TV or computer monitor). Additional appliances or major electronics cost extra.
- Any mattresses or box springs will cost extra.
- Tires and copiers cost extra.
- Up to two wheelbarrow loads of cement, rock, or dirt are permitted. If a combination of the three items, they must not exceed two wheelbarrow loads total.
- Gene's Disposal is not responsible for your driveway, we recommend placing wood down where you want the dumpster placed to help protect your driveway.
